

Future 500 ID Camp
Girls Camp Coaches Guide

Coaches,

Thanks so much for attending this year's significantly adjusted Future 500 ID Camps. We really appreciate you being with us and also appreciate your patience over the last few months with all of the changes!

As every year, our goal is to provide the best possible recruiting opportunity for student-athletes, while conducting camp in a manner that treats College Coaches as the professionals that they are (something we sadly find lacking too often). We take seriously the idea of "sweating every detail" in order to achieve these goals.

As you can imagine, achieving these goals has proven to be a much greater challenge this year and we sincerely hope the COVID-19 related adjustments we've worked very hard on will allow us to achieve them. As always, if you see any ways in which we can better serve you or the student-athletes throughout camp, please do not hesitate to walk up to any Future 500 staff member (in the blue and yellow shirts) and let us know.

We personally hope to be able to speak with as many of you as possible during camp but am a bit uncertain how that will work given the challenges with social distancing. So if we are unable to personally touch base with you at camp, please accept both our apologies and our sincere thanks for attending.

With Much Appreciation,

Mark Wagner
Founder, Future 500 ID Camps

Linda Wagner,
President, Future 500 ID Camps

Travis Regner,
Director of Operations, Future 500 ID Camps
